

# Meridian District Eagle Packet “Handout” (updated January 24, 2012)

## What You Need to Know

- Project cannot benefit commerce, persons, or the BSA.
- Project cannot raise money (except to fund the project).
- The Project needs to demonstrate your leadership.
- The Project Plan must be so clear and complete that another Scout could use it, without any other information, to do the Project without your help.
- Bring the original and three copies of your binder for the Board to Review.
- Bring pen and paper to take notes.
- Call at least a week in advance to book a Board.
- Everything must be done before you turn 18. Don't wait until the last minute!
- Get a copy of your records from the Council and make sure your application and the Council records “match.”
- If your Eagle Advisor has never advised before, advise them to get advice.
- We are all here to help. If you aren't sure, ask.
